

Home or Away?

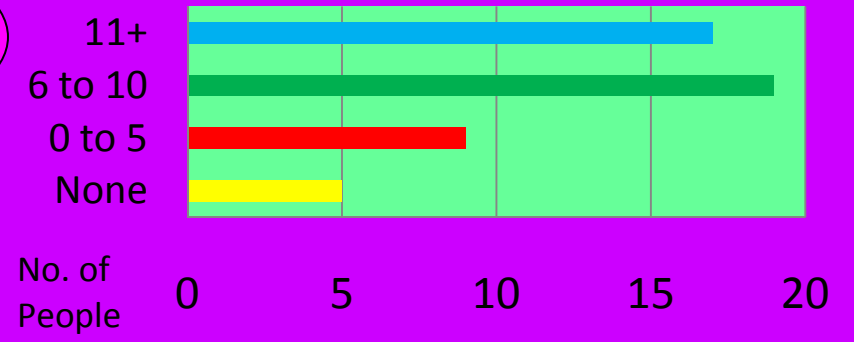

Have you been on holidays abroad?

50 transition students aged 15 -16, were surveyed on their holidaying lifestyle. Our results from these surveys are listed below

9/10 of those surveyed have left the country at some point for a holiday abroad, while 10% have never left Ireland.

How many holidays abroad have you been on?

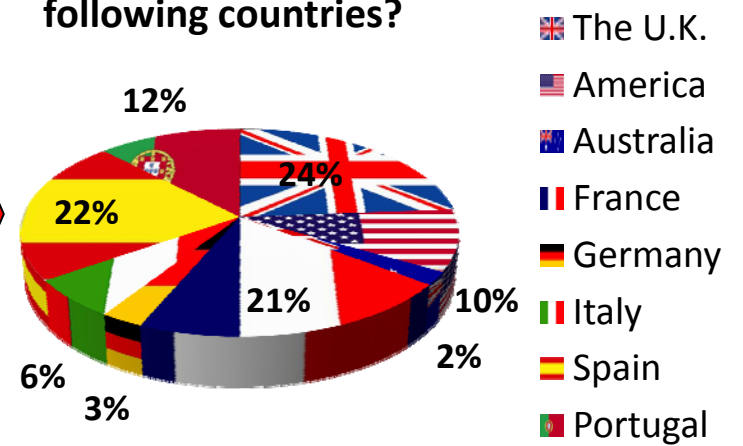

Where in Ireland have you been on holidays?

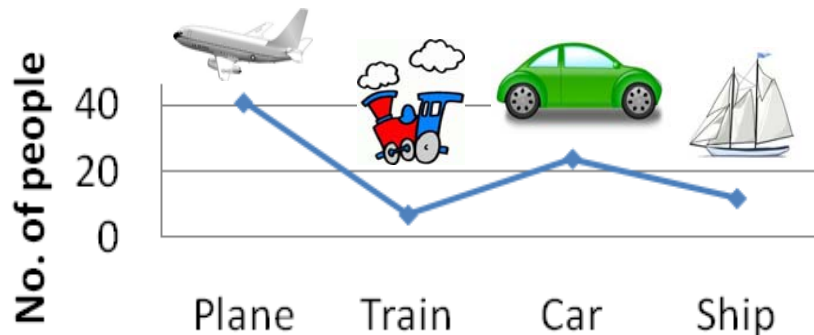

We found that the most visited Irish holiday locations were places of natural beauty. These include Galway and Kerry

Popular holiday locations visited by those surveyed include The U.K., Spain, France and Portugal. These countries are nearby which is a pull factor

How many have been to the following countries?

How do you normally travel on holidays?

Bargain prices win 'Plane' the top holiday mode of transport, while 'Train' was the least popular method which we think is because of its high prices, awkward locations and Ireland being an Island

88% of surveyed said they prefer the sun, we think this is related to Ireland's wet, cold climate and people liking a change
